Professional Employment

Assistant, Associate, & Full Research Geophysicist	UCLA	1992 – present
Guest Research Fellow, Institute of Earthquake Prediction China Earthquake Administration, China		2017 - present
Program Director, Geophysics Program	NSF/USA	2013 - 2015
Professor, School of Earth & Space Science, Peking Univ., China		2008 – 2013
Distinguished Research Fellow, Institute of Geology, China Earthquake Administration, China		2001 - 2008
Post-doctorate Scholar	UCLA	1991 – 1992

Education

Ph.D. in Geophysics and Space Physics	UCLA	1991
M.S. in Geophysics and Space Physics	UCLA	1985
B.S. in Geophysics	Peking Univ.	1982

Professional Services

Chair, Sub-commission 3.2 on Crustal Deformation, International Association of Geodesy		2015-2017
Board Member, Global Geodetic Observing System, International Association of Geodesy		2015-2017
Board member, Advisory Committee on Science and Technology, China Earthquake Administration		2006-2016
Guest Editor, Bull. Seismol. Soc. Am. special issue on “2008 Great Wenchuan earthquake”		2008-2010
Science Director, Crustal Deformation Research Center, Crustal Motion Observation Network of China, CEA, China		2002-2008
Panel Member, Surface and Interior of Earth Program NASA/USA		Multiple years
Editorial Board member Chinese Journal of Geophysics Chinese Journal of Seismology Journal of Geodesy and Geodynamics Earthquake Geology		Multiple years

Membership

American Geophysical Union	1985 – present
Seismological Society of America	1987 – present
